Course Description: This Course is designed to introduce the student to the field of Urban Studies. Urban Studies is an interdisciplinary field that draws from many disciplines including psychology, political science, sociology, economics, anthropology, communications, and geography. This approach is used to study and come to a better understanding of the problems facing cities today and the opportunities that exist within them.

Course Objective: This course is an introduction to the study of cities using an interdisciplinary approach that includes economic development, environmental studies, anthropology, psychology, sociology and public administration. The course emphasizes the roots of the contemporary urban experience and integrates the field of urban studies with students’ everyday experiences. The course is designed to meet the following learning objectives in accordance with CSU's General Education requirements:

Breadth of Knowledge: Social Science
- Understand the complex issues and challenges facing urban areas.
- Recognize the importance and usefulness of multi-disciplinary approaches to resolving these challenges.
- Introduce basic theoretical and empirical concepts used in the respective social scientific disciplines to explain the behavior of individuals and groups in societies, economies, governments, and subcultures.
- Present how data are collected and analyzed in social scientific disciplines.

Skill Area: Critical Thinking
- Inspire critical thinking using multi-disciplinary approaches and exercises.
- Develop higher-order thinking (analysis, synthesis, evaluation) to address complex urban problems.

Skill Area: Writing
Completion of “writing-to-learn” exercises designed to incorporate concepts learned in the text chapters into daily life experiences.
- Fulfillment of “writing-to-communicate” exercises designed to test understanding of academic journal articles and ability to convey responses in a logical manner.
General Education Statement
This course fulfills a Social Science Breadth of Knowledge General Education requirement and promotes the Skill Areas of critical thinking and writing.

Course Method: This course will combine lectures by the instructor with class discussions and speaker presentations. Students are expected to and strongly encouraged to participate in class discussions.

Grading Policy: Grades are based on the results of tests, three exercises, and class participation. There will be three tests given (two throughout the semester and the final). The grade will consist of the following:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Midterm #1</td>
<td>10%</td>
</tr>
<tr>
<td>Midterm #2</td>
<td>15%</td>
</tr>
<tr>
<td>Final</td>
<td>25%</td>
</tr>
<tr>
<td>Exercise 1</td>
<td>10%</td>
</tr>
<tr>
<td>Exercise 2</td>
<td>15%</td>
</tr>
<tr>
<td>Exercise 3</td>
<td>15%</td>
</tr>
<tr>
<td>Class participation</td>
<td>10%</td>
</tr>
</tbody>
</table>

Exam attendance is required. Makeup exams will only be given with the prior approval of the instructor. Assignments are due on the date noted in the syllabus. Late submission will result in a 5% grade penalty per week that the assignment is late. Final submission dates are noted in the syllabus. Work not turned in by that date will not be accepted.

Grading scale: 95-100 A    94-90 A-    89-87 B+    86-83 B    82-80 B-    79-75 C+    74-70 C    60-69 D

Exercises: There are three exercises that will be distributed throughout the semester. These will be distributed in class as noted in the syllabus and are due on the dates noted. All exercises must be double-spaced and word-processed or typed. Please be sure to check your grammar and punctuation. Spell check your work! Points will be deducted for lack of attention to spelling and grammar. If you wish you may submit your work via email to the addresses listed at the top of the syllabus.

Course Requirements: Students are expected to attend all class periods, submit homework assignments when due, complete the midterms and final. Student success is enhanced by keeping up to date with required readings. Class attendance is also critical to the student being successful.

Change in schedule: This syllabus is a guide to the semester schedule. The instructor reserves the right to change this syllabus and any of its contents at any time during the course by notifying students verbally. Attendance at class ensures that the student is aware of all changes that may be made.

Wednesday, December 10: Final exam 8:30 am to 10:30 am.

Physically challenged/Special Needs
Educational access is the provision of classroom accommodations, auxiliary aids and services to ensure equal educational opportunities for all students regardless of their disability. Any student who feels he or she may need an accommodation based on the impact of a disability should contact the Office of Disability Services at (216)687-2015. The Office is located in MC 147. Accommodations need to be requested in advance and will not be granted retroactively. Further information regarding the office can be accessed on the web at http://www.csuohio.edu/clc/disability/.

Writing Assistance All submitted work is to be written according to academic standards with appropriate citations. The student should contact the instructor before submitting work if unsure about how to paraphrase material or how to cite correctly. The Writing Center at Cleveland State is available to assist the student with writing issues. Information on the writing center is found at
http://www.csuohio.edu/writingcenter/index.html. Wickpedia is NOT to be used in your writing assignments. Submissions using Wickpedia will be subject to a 5 point penalty.

Questions regarding the university calendar (holidays and finals week schedule) can be resolved by using the following link to the registrar’s office.
